**APPENDIX G—CHAP. 151 OF ACTS OF 2011
TOWN OF BRAINTREE RECREATION FACILITY**

THE COMMONWEALTH OF MASSACHUSETTS

An Act authorizing a design and build contract for and lease of a recreational facility in the city known as the town of Braintree

SECTION 1. (a) The Town of Braintree (hereinafter, the “Town”) may, notwithstanding any general or special law or regulation to the contrary, enter into a contract or contracts for the design, construction, installation, operation, maintenance, repair, replacement, and lease of Town land, or any of them, for a new recreational facility to consist of a pool and skating rink (hereinafter, the “Recreational Facility”), necessary to ensure adequate services and ensure the ability of such Recreational Facility to operate in full compliance with all applicable requirements of federal, state and local law; provided, however, that such contracts shall not be subject to the competitive bid requirements set forth in sections 38A1/2 to 38O, inclusive, of chapter 7, section 39M of chapter 30 or sections 44A to 44M, inclusive, of chapter 149 of the General Laws; provided, further, that each such contract shall be awarded pursuant to chapter 30B of the General Laws, except for clause (3) of paragraph (b) of section 5, clause (d) of section 5, clause (e) of section 5, clause (g) of section 5, clause (3) of paragraph (b) of section 6, paragraph (e) of section 6, paragraph (g) of section 6, paragraph (h) of section 6, paragraph (i) of section 6, and sections 12 and 13 of said chapter 30B. Any contract for the construction of the Recreational Facility shall be subject to sections 26 to 27H, inclusive, of chapter 149 of the General Laws. Further, the Town of Braintree shall be allowed to lease a parcel of land owned by the Town on which said Recreational Facility shall be located, provided, that the contract to lease Town-owned land for this purpose shall not be subject to the bidding requirements of section 16 of chapter 30B.

(b) The request for proposals for such contract or contracts shall specify the method for comparing proposals to determine the proposal offering the lowest overall cost to the Town and the highest overall benefit to the Town, including, but not limited to, all design costs, construction costs, capital equipment and capital improvement costs, operating and maintenance costs, and projected revenue stream for the Town. If a contract is awarded to an offeror who did not submit the proposal offering the lowest overall cost or the highest overall benefit to the Town, the Town shall explain the reason for the award in writing.

(c) The request for proposals shall set forth mandatory performance guarantees that the Recreational Facility will be required to meet, as constructed. The contract which is negotiated with the selected offeror based on the request for proposals shall obligate the selected offeror to meet such mandatory performance guarantees, and shall set forth the minimum design

requirements for such construction and the acceptance tests to be conducted upon the completion of the construction in order to demonstrate that the Recreational Facility is capable of meeting such performance guarantees.

SECTION 2. (a) Notwithstanding any general or special law to the contrary, including section 3 of chapter 40 of the General Laws, a contract or contracts entered into pursuant to section 1 may provide for a term of at least fifty (50) years, and an option for renewal or extension of operation, maintenance, repair and replacement services for one additional term not exceeding five (5) years. Any renewal or extension shall be at the sole discretion of the Town in accordance with the original contract terms and conditions or contract terms and conditions more favorable to and acceptable to the Town.

(b) A contract entered into pursuant to this act may provide that the Town shall not be exempt from liability for payment of the costs to design, construct, install, lease, permit, operate, maintain, repair and replace such Recreational Facility as necessary to ensure the ability of such facility to operate in full compliance with all applicable requirements of federal, state and local law, provided that any costs relating to the design, construction, installation, permitting, and leasing shall be amortized over a period that is no longer than the useful life of said Recreational Facility. The Town's payment obligation for services described herein shall be conditioned on the contractor's performance of said services in accordance with all contractual terms.

(c) A contract entered into pursuant to this act may provide for such activities deemed necessary to carry out the purposes authorized herein, including, but not limited to, permitting services, equipment purchases, facility or land lease, equipment installation, repair and replacement, performance testing and operation, studies, design and engineering work, construction work, ordinary repairs and maintenance, and the furnishing of all related material, supplies and services required for the construction, management, maintenance, operation, and repair and replacement of said Recreational Facility.

SECTION 3. (a) The chief procurement officer shall solicit proposals through a request for proposals which shall include those items in clauses (1) and (2) of paragraph (b) of section 6 of chapter 30B of the General Laws and the proposed key contractual terms and conditions to be incorporated into the contract, some of which may be deemed mandatory or nonnegotiable; provided, however, that such request for proposals may request proposals or invite non-monetary options for the fulfillment of some contractual terms, as may be determined by the Town. The request for proposals shall provide for the separate submission of price and shall indicate when and how the offerors shall submit their price proposal. The request for proposals shall require each offeror to submit with their proposal a Plan of Services detailing the plan for the design, construction, operation and maintenance of the Recreational Facility, any monetary payments to the Town, and any non-monetary benefits to the Town. The Director of Finance of the Town of

Braintree shall serve as the chief procurement officer.

(b) Notwithstanding any other provisions of this act, the chief procurement officer may use a request for qualifications prior to the request for proposals which shall serve as a basis for which the Town creates a short list of offerors to receive such request for proposals. Statements of qualifications received in response to such request for qualifications shall be solicited and evaluated in a manner similar to that required for request for proposals as set forth in this section. Only those offerors whose requests for qualifications are deemed highly advantageous shall be invited to submit a proposal in response to the request for proposals.

SECTION 4. The Mayor shall appoint an evaluation committee, which shall consist of one representative from the Town Council, one representative from the School Committee, representatives from the Town with knowledge of design, construction, engineering, and/or operation of facilities similar to this Recreation Facility, and other professionals with relevant experience. The evaluation committee shall not open any qualifications or proposals publicly. At the opening of the proposals, the evaluation committee shall prepare a register of proposals which shall include the name of each offeror and the number of modifications to such proposals, if any, received from each offeror. The register of proposals shall be open for public inspection. Notwithstanding the provisions of section 7 of chapter 4 of the General Laws, until the time the contract is awarded, the contents of the proposals and any notes, minutes, evaluations or communications of the evaluation committee shall remain confidential and shall not be disclosed to competing offerors.

SECTION 5. (a) Evaluations of the proposals and, if applicable, the statements of qualifications, shall be conducted by the evaluation committee. The evaluation committee shall prepare its evaluations of the non-price proposals based solely on the criteria set forth in the request for proposals or statement of qualifications, as may be applicable. The evaluation committee shall specify in writing for each non-price evaluation criterion included within the request for proposals or for each evaluation criterion set forth in the requests for qualifications a rating of highly advantageous, advantageous, not advantageous, or unacceptable and the reasons for the rating. After completion of the preliminary evaluation of the non-price proposals and the ratings set forth above, the price proposals shall be evaluated by the evaluation committee based solely on the price criteria set forth in the request for proposals. After the evaluation committee completes its evaluation of the proposals, the evaluation committee shall confer with the chief procurement officer, and the evaluation committee and chief procurement officer shall jointly recommend the most advantageous proposals to the Mayor.

(b) The Town shall make a preliminary determination of the most advantageous proposal from a responsible and responsive offeror taking into consideration price, estimated life-cycle costs, non-monetary benefits to the Town, revenue stream to the Town, and the other evaluation criteria

set forth in the request for proposals. Thereafter, the Chief of Staff and Town Solicitor shall negotiate all terms of the contract not deemed mandatory or nonnegotiable with such offeror. If after negotiation with such offeror, the Mayor determines that it is in the Town's best interests, the Mayor may direct the Chief of Staff and Town Solicitor to initiate negotiations with the next most advantageous proposal from a responsible and responsive offeror taking into consideration price, estimated life-cycle costs, non-monetary benefits to the Town, revenue stream to the Town, and the other evaluation criteria set forth in the request for proposals, and may negotiate all terms of the contract not deemed mandatory or nonnegotiable with such offeror. The Mayor shall award the contract to the most advantageous proposal from a responsible and responsive offeror taking into consideration price, estimated life-cycle costs, non-monetary benefits to the Town, revenue stream to the Town, the evaluation criteria set forth in the request for proposals, and the terms of the negotiated contract. The Mayor shall award the contract by written notice to the selected offeror within the time for acceptance specified in the request for proposals. The Mayor and offeror may extend the time for acceptance by mutual agreement. The award of the contract shall be conditioned upon successful negotiation of all terms of the contract.

SECTION 6. Any contract or contracts awarded pursuant to this act shall be subject to such terms and conditions as the Chief of Staff and Town Solicitor shall determine to be in the best interests of the Town. Any such contract shall provide that prior to the construction of the Recreational Facility or modification or installation of new equipment thereto, the Town shall cause an Owner's Project Manager to independently review and approve plans and specifications for such construction or installation. Such contract shall further provide that prior to acceptance of the Recreational Facility or modification or new equipment thereto, including work undertaken pursuant to section 7 of this act and estimated to cost more than \$100,000, the Town shall cause an Owner's Project Manager to inspect said Recreational Facility or modification or new equipment thereto, and certify that such construction, modification or installation has been completed in accordance with the approved plans and specifications.

SECTION 7. The provisions of any general or special law or regulation relating to the advertising, bidding or award of contracts, to the procurement of services or to the design and construction of improvements, except the provisions of sections 26 to 27H, inclusive, of chapter 149 of the General Laws, shall not be applicable to any selected offeror which is awarded a contract as provided in this section. The construction of any new capital improvement or any renovation, modernization, installation, repair or replacement work estimated to cost more than \$100,000, not specifically included in the initial contract or contracts for the design, construction, installation operation, maintenance, repair, replacement, and lease of the Recreational Facility and modifications of any existing facilities relating thereto, shall be procured on the basis of advertised sealed bids; provided, however, that bids need not be solicited if the contractor causes any such construction, renovation, modernization, installation, repair or replacement work to be completed without direct or indirect reimbursement from the

Town or other adjustment to any fees paid by the Town related to said Recreational Facility. Bids shall be based on detailed plans and specifications, and the contract shall be awarded to the lowest responsible and eligible bidder. The contractor may act as an agent of the Town in the solicitation of bids for the construction of any new capital improvement or for any renovation, modernization, installation, repair or replacement work pursuant to this section; provided that the Town shall cause an Owner's Project Manager or a qualified engineer to independently assess the need for such capital improvement, renovation, modernization, installation, repair or replacement work and to review and approve the contractor's proposed plans and specifications prior to advertising for bids. Based on the recommendation of the qualified engineer, the Town may approve, modify, or reject the contractor's proposed plans and specification.

SECTION 8. Notwithstanding any general or special law or regulation to the contrary or section 16 of chapter 30B of the General Laws, the Town may enter into a contract to lease a parcel of Town-owned land to the successful offeror selected pursuant to this act on which the Recreational Facility is to be located for a term of at least fifty (50) years, and an option for renewal or extension for one additional term not exceeding five (5) years.

SECTION 9. The selected offeror shall furnish to the Town performance bonds, payment bonds, or other forms of security for the selected offeror's obligations, and insurance, satisfactory to the Town.

SECTION 10. The General Court may make clerical or editorial changes of form only to the bill, unless the Mayor approves amendments to the bill before enactment by the General Court, and further, that the Mayor be authorized to approve amendments to the bill which shall be within the scope of the general public objectives of this petition.

SECTION 11. This act shall take effect upon its passage.

Awarding Authority: Town of Braintree
Contract Number: City/Town: BRAINTREE
Description of Work: Recreation Facility Construction - Design, Construct, and Operate Skating Rink and Swimming Pool Complex
Job Location: 128 Town Street, Braintree, MA

Information about Prevailing Wage Schedules for Awarding Authorities and Contractors

- This wage schedule applies only to the specific project referenced at the top of this page and uniquely identified by the "Wage Request Number" on all pages of this schedule.
- An Awarding Authority must request an updated wage schedule from the Department of Labor Standards ("DLS") if it has not opened bids or selected a contractor within 90 days of the date of issuance of the wage schedule. For CM AT RISK projects (bid pursuant to G.L. c.149A), the earlier of: (a) the execution date of the GMP Amendment, or (b) the bid for the first construction scope of work must be within 90-days of the wage schedule issuance date.
- The wage schedule shall be incorporated in any advertisement or call for bids for the project as required by M.G.L. c. 149, § 27. The wage schedule shall be made a part of the contract awarded for the project. The wage schedule must be posted in a conspicuous place at the work site for the life of the project in accordance with M.G.L. c. 149 § 27. The wages listed on the wage schedule must be paid to employees performing construction work on the project whether they are employed by the prime contractor, a filed sub-bidder, or any sub-contractor.
- All apprentices working on the project are required to be registered with the Massachusetts Division of Apprentice Standards (DAS). Apprentice must keep his/her apprentice identification card on his/her person during all work hours on the project. An apprentice registered with DAS may be paid the lower apprentice wage rate at the applicable step as provided on the prevailing wage schedule. **If an apprentice rate is not listed on the prevailing wage schedule for the trade in which an apprentice is registered with the DAS, the apprentice must be paid the journeyworker's rate for the trade.**
- The wage rates will remain in effect for the duration of the project, except in the case of multi-year public construction projects. For construction projects lasting longer than one year, awarding authorities must request an updated wage schedule. Awarding authorities are required to request these updates no later than two weeks before the anniversary of the date the contract was executed by the awarding authority and the general contractor. For multi-year CM AT RISK projects, awarding authority must request an annual update no later than two weeks before the anniversary date, determined as the earlier of: (a) the execution date of the GMP Amendment, or (b) the execution date of the first amendment to permit procurement of construction services. Contractors are required to obtain the wage schedules from awarding authorities, and to pay no less than these rates to covered workers. The annual update requirement is not applicable to 27F "rental of equipment" contracts.
- Every contractor or subcontractor which performs construction work on the project is required to submit weekly payroll reports and a Statement of Compliance directly to the awarding authority by mail or email and keep them on file for three years. Each weekly payroll report must contain: the employee's name, address, occupational classification, hours worked, and wages paid. Do not submit weekly payroll reports to DLS. A sample of a payroll reporting form may be obtained at <http://www.mass.gov/dols/pw>.
- Contractors with questions about the wage rates or classifications included on the wage schedule have an affirmative obligation to inquire with DLS at (617) 626-6953.
- Employees not receiving the prevailing wage rate set forth on the wage schedule may report the violation to the Fair Labor Division of the office of the Attorney General at (617) 727-3465.
- Failure of a contractor or subcontractor to pay the prevailing wage rates listed on the wage schedule to all employees who perform construction work on the project is a violation of the law and subjects the contractor or subcontractor to civil and criminal penalties.

Additional Apprentice Information

Minimum wage rates for apprentices employed on public works projects are listed above as a percentage of the pre-determined hourly wage rate established by the Commissioner under the provisions of the M.G.L. c. 149, ss. 26-27D. Apprentice ratios are established by the Division of Apprenticeship Training pursuant to M.G.L. c. 23, ss. 11E-11L.

All apprentices must be registered with the Division of Apprenticeship Training in accordance with M.G.L. c. 23, ss. 11E-11L.

All steps are six months (1000 hours) unless otherwise specified.

- * Ratios are expressed in allowable number of apprentices to journeymen or fraction thereof.
- ** Multiple ratios are listed in the comment field.
